A draft resolution (E-3732) by the Energy Division establishing procedures through which utilities subject to General Order 131-D may reduce time between filing of an informational advice letter concerning proposed energy facilities and the date construction may begin, will be on the May 3, 2001 Commission meeting agenda. The Commission may vote on this resolution at that time, or it may postpone a vote. The Commission may adopt all or part of E-3732, amend or modify it, or set it aside and prepare a different resolution.
